Dear Governor Parson:

Since 1982, Missouri State Public Defender (MSPD) has worked diligently to fulfill its constitutional obligation of providing a high quality, zealous defense to the indigent accused. For years the focus has been on increasing attorney staff to lower caseloads to constitutional standards. The National Public Defense Workload Study, published at the beginning of Fiscal Year 2024, provided important data for determining reasonable workloads in public defense. Missouri is above the national standard, but MSPD continues to work towards reaching those standards and reducing criminal cases.

In 2022, MSPD initiated a new program, Holistic Defense Services (HDS), in recognition of the fact that a more comprehensive approach to client representation is necessary to lowering those caseloads and fulfilling MSPD's constitutional obligation. HDS enables the defense team to understand the life factors that impact our clients and to advocate for the resources and outcomes that will help address our clients' needs.

MSPD's goal in the creation of HDS is to create lasting solutions for our clients that will help prevent them from reoffending in the future, thus decreasing the number

of criminal cases. This year's annual report, which is titled ***Collaborative Justice: Protecting Rights, Restoring Lives, Improving Communities***, provides detailed information on our Holistic Defense Services program and the progress it has already made towards decreasing our clients' chances of reoffending.

An outside evaluation of the HDS program, funded by the Missouri Foundation for Health, has found that after just eighteen months HDS has improved the lives of clients, increased the efficiency and effectiveness of attorneys, and reduced the cost to the State for the incarceration of persons who can remain safely in their communities. So far, that work has been completed in large part by rotating employees participating in the AmeriCorps and other programs.

In Fiscal Year 2026, MSPD is requesting an appropriation to allow MSPD to fulfill its constitutional responsibility by providing the necessary full time permanent FTE for Holistic Defense Services. With this appropriation, we will be able to not only protect the rights of our clients, but to also work towards restoring their lives and improving their communities.

With appreciation for the support you have provided to State Public Defender during your term in office, we submit the following budget request with the goal of continuing to provide an efficient and effective indigent defense program in Missouri.

Sincerely,

Mary Fox
Director

2. CORE DESCRIPTION

The Missouri State Public Defender (MSPD) is a statewide system, providing legal representation to indigent defendants accused of state crimes in Missouri's trial and appellate courts and in the United States Supreme Court. It is an independent department of state government, located within, but not supervised by, the Judicial Branch. It is governed by a seven-member Public Defender Commission, appointed by the Governor. The core decision item includes funding for public defenders and their support staff throughout the state and a central administrative staff. It also includes partial funding for assigning conflict cases to private counsel.

Public Defender clients have been found to be indigent and without personal resources to obtain the assistance of counsel. The lack of resources often also acts as a barrier to services that public defender clients need or have been ordered to participate in by the Court or a probation or parole officer. These services include transportation from their homes to court or treatment programs, entry fees for sober living placements and recovery support housing, parenting class enrollment fees, anger management counseling enrollment fees, and other similar costs. The fees will also include payment for some other essential needs for the clients such as eyeglasses so that they can read correspondence and discovery; and government identification cards and birth certificates that are often necessary for admission to programs. The limited discreet amounts of financial assistance paid through the Public Defender Reinvestment fund will allow the clients an opportunity to be successful.

3. PROGRAM LISTING (list programs included in this core funding)

The Missouri Public Defender's only program is to provide constitutionally required criminal defense representation to eligible persons. This representation is mandated in state trial, appellate, and post-conviction proceedings.

FLEXIBILITY REQUEST FORM

BUDGET UNIT NUMBER: 950001B BUDGET UNIT NAME: Office of the Director APPROPRIATION BILL SECTION: 12.400	DEPARTMENT: Missouri State Public Defender DIVISION: Director's Office - Legal Services
1. Provide the amount by fund of personal service flexibility and the amount by fund of expense and equipment flexibility you are requesting in dollar and percentage terms and explain why the flexibility is needed. If flexibility is being requested among divisions, provide the amount by fund of flexibility you are requesting in dollar and percentage terms and explain why the flexibility is needed.	
DEPARTMENT REQUEST	
As in previous years, the Missouri State Public Defender is requesting full flexibility in our legal services appropriations. (Appropriation 10911, 10912, and 18727). Due to the turnover of attorney positions, the number of conflicts and the overload of cases, it is frequently necessary to transfer cases from state employees (Appropriation 10911) to private counsel who can be compensated from appropriation 10912 or 18727. It is also necessary to transfer vacancy savings dollars from the personal service appropriation to the expense and equipment appropriation to cover appropriation shortfalls in case litigation expenses and increasing office expenses such as travel, postage, equipment maintenance and network charges.	
2. Estimate how much flexibility will be used for the budget year. How much flexibility was used in the Prior Year Budget and the Current Year Budget? Please specify the amount.	
PRIOR YEAR ACTUAL AMOUNT OF FLEXIBILITY USED	CURRENT YEAR ESTIMATED AMOUNT OF FLEXIBILITY THAT WILL BE USED
\$3,084,397	\$3,000,000
3. Please explain how flexibility was used in the prior and/or current years.	
PRIOR YEAR EXPLAIN ACTUAL USE	CURRENT YEAR EXPLAIN PLANNED USE
\$3,084,397 was transferred from personal service (10911) to expense & equipment (10912). In FY24 the transferred money was used for private counsel for conflict and overload cases and to cover the shortfalls of our expense and equipment appropriation.	Flexibility will be utilized to best meet the caseload demands of the Missouri State Public Defender. Dollars from personal service vacancy savings could be used to meet the costs of operating the local offices or to contract out cases to private counsel as the need arises or to pay for increasing necessary litigation expenses.

3. WHY IS THIS FUNDING NEEDED? PROVIDE AN EXPLANATION FOR ITEMS CHECKED IN #2. INCLUDE THE FEDERAL OR STATE STATUTORY OR CONSTITUTIONAL AUTHORIZATION FOR THIS PROGRAM.

The request is for forty-five (45) FTE to serve as mitigation specialists. Mitigation specialists serve in the Holistic Defense Services division of MSPD and connect public defender clients to community services so that the clients are successfully reintegrated into their communities. The 45 mitigation specialists will assist in the 80,000 plus cases handled every year by also providing the prosecution and the courts with mitigating information and sentencing options. This client centric defense approach will result in decreased incarceration costs and improved community reentry for public defender clients. This program is an integral part of MSPD's fulfillment of the constitutionally required representation mandated by the Sixth Amendment of the United States Constitution, Article I, Section 18 of the Missouri Constitution and Chapter 600 of the Missouri Revised Statutes.

4. DESCRIBE THE DETAILED ASSUMPTIONS USED TO DERIVE THE SPECIFIC REQUESTED AMOUNT. (How did you determine that the requested number of FTE were appropriate? From what source or standard did you derive the requested levels of funding? Were alternatives such as outsourcing or automation considered? If based on new legislation, does request tie to TAFP fiscal note? If not, explain why. Detail which portions of the request are one-times and how those amounts were calculated.)

Missouri State Public Defender (MSPD) has 33 trial offices that provide representation in each of the 114 counties and the City of St. Louis. The requested 45 FTE will allow for one mitigation specialist in each trial office and an additional mitigation specialist in the higher caseload offices which service Boone County (Columbia Trial Office), Jackson County (Kansas City Trial Office), St. Louis County (Clayton Trial Office), St. Louis (City of St. Louis Trial Office), and Greene, Christian and Taney counties (Springfield Trial Office). In addition, one mitigation specialist will serve the Parole Revocation Defense Team and five mitigation specialists will be assigned to cases handled by outside contract counsel. These mitigation specialists will work in conjunction with AmeriCorps advocates who provide service for one or two years. As full time FTE, rather than rotating employees, these mitigation specialists will better serve the clients in the 80,000 cases handled by these offices each year. Outsourcing of the program was considered but was found to not be as efficient.

2. CORE DESCRIPTION

This appropriation was established to cover three types of expenses. VIOLENT CRIMES: Payment of expenses associated with the defense of violent crimes, including those charged as sexually violent predators and death penalty cases. LITIGATION EXPENSES: Litigation expenses are also paid out of the appropriation. These would include, but are not limited to, such things as mental health evaluations by experts, depositions, interpreters, medical records, transcriptions, exhibits, immigration consultations, fingerprint experts, handwriting analysis, etc. CONFLICT CASES: a conflict requiring a case to be contracted out to private counsel occurs when there are multiple co-defendants charged in a particular incident. The co-defendants each require conflict free counsel who can investigate and negotiate the case independently, including any negotiation of testimony against another co-defendant.

3. PROGRAM LISTING (list programs included in this core funding)

The Missouri State Public Defender (MSPD) is a statewide system that provides legal representation to poor persons who are accused or convicted of state crimes. That representation occurs in Missouri's trial, and appellate courts, as well as in the United State Supreme Court. MSPD's representation of eligible applicants fulfills the state's constitutional mandate to provide counsel pursuant to the Sixth Amendment of the United States constitution and Article I, Section 18 of the Missouri Constitution.

As laws continue to change and turnover of Missouri State Public Defender's staff is significant, training of public defenders and their staff becomes even more critical. The funds in this appropriation are collected from the indigent accused and by statute are used at the discretion of the Director of the State Public Defender for the operation of the department, including, but not limited to, training, Missouri Bar Dues, legal research, one-time equipment purchases, office moves and other critical needs.

2. THIS REQUEST CAN BE CATEGORIZED AS

Other: Increase Spending Authority

3. WHY IS THIS FUNDING NEEDED? PROVIDE AN EXPLANATION FOR ITEMS CHECKED IN #2. INCLUDE THE FEDERAL OR STATE STATUTORY OR CONSTITUTIONAL AUTHORIZATION FOR THIS PROGRAM.

MSPD is requesting \$1,250,000 to increase spending authority should Federal, gifts, or other funds become available during Fiscal Year 2026. Funds would be used at the discretion of the Director or the State Public Defender Commission for the operation of the department, including, but not limited to, training, legal research, one-time equipment purchases, office moves, private attorney fees or other critical needs. The statutory language passed in FY25 to allow MSPD to collect gifts and donations from outside sources. In addition, MSPD is continually applying for additional grants. This will ensure we have the ability to accept these funds with the additional spending authority. In addition we are requesting 1 FTE to support our grants. This position will be filled only if grant funds are available to support it.
